

# Volunteer to help 'Go Wild on Grabbist!'

**Saturday 16<sup>th</sup> June 2012, 10am – 4 pm**

Come along and help out at a fun packed adventure day for all ages on Grabbist Hill, Minehead.

Grabbist Hill is an important site for the Heath Fritillary, and we are keen to spread the word to the people of Minehead and the surrounding communities about the value of the site for wildlife, and the importance of appropriate management - so we are organising this fun day to encourage people to visit the site and explore its habitat and wildlife. And we need your help!

Volunteers are needed to help with guided walks, talks and running activities for all ages including butterfly spotting, minibeast hunts and bracken bashing, which will be offered throughout the day.

If you would like to help on this event, please contact
