Sunday 4 th December 2011	10-3pm	Collard Hill	Scrub management, cutting and burning scrub	Collard Hill, Reynolds Way (off B3151) Parking lay-by, ST488343

Gilling Down– Join the Somerset Wildlife Trust Volunteers in the vital management of the scrub that is encroaching the downland.

East Field– Help us to restore this South Somerset District Council Local Nature Reserve through essential scrub management and encourage the regeneration of the grassland flora.

Collard Hill–Join the Somerset National Trust Volunteers to help maintain, improve and expand the current extent of the Limestone Grassland.

Important information

For all practical conservation work it is advisable to have an up-to-date tetanus vaccination. All tools and training are provided but please wear suitable outdoor clothing and footwear.

We recommend bringing a packed lunch and a drink unless otherwise indicated.

Lots of tea/coffee and biscuits are available throughout the day to help fuel the work.

For more information on the project visit our website at www.butterfly-conservation.org or contact **Project Officer Caroline Kelly** on 01929 406028 or e-mail ckelly@butterfly-conservation.org

To book a place please use the contact details above.
